In person: We can answer your questions from the Information Desk in the middle of the library. Stop by and say hello next time you're in the building.

By phone: 714-528-1906 or select Option 2. If we don't answer, we are helping another patron so please leave us a message.

By e-mail: information@placentialibrary.org [2], please include your first and last name and card number.

For afterhours inquiries, please leave a telephone or e-mail message. We will get back to you as soon as possible on the next day of business.
