WELCOME TO THE PLACENTIA LIBRARY DISTRICT

Though this message reaches you after a few months from the 2019 countdown, I wanted to take this opportunity to wish our many supporters, patrons, community partners, and out-of-town visitors, a year filled with many exciting adventures through literacy and creative expression of words.

I am filled with gratitude for a community that believes in the value of a strong public library system. We are proud to have received the Innovative Award from the California Special District Association for our Library of Things (LOTs) collection and the 2019 Citizen of the Year nomination of our Library Trustee, Jo-Anne Martin. Our dedicated staff, volunteers and generous Placentia Library Friends Foundation, community partners such as the Placentia Unified School District, the City of Placentia, the Placentia Chamber of Commerce, the Rotary Club of Placentia, the Kiwanis Club, and the Placentia Round Table Women’s Club, under the governance of our Library Board of Trustees are the reasons for our success in 2018. Many of the valuable services and resources that are accessible to you have been made possible through your support and input.

We are entering 2019 in the midst of our renovation project, leading up to the commemoration of the District’s 100th year of serving our Placentia community. A ribbon cutting event will be held on September 14, 2019. I want to take this moment to give you a preview of some exciting programs and resources planned for 2019.

- **The Hangar:** An incubator for innovation, imagination, and inspiration that uses technology to explore, create and collaborate ideas with others. The space is open to children, adults, and entrepreneurs and will include 3D laser printers, robotics, iMacs, art supplies and other equipment that enhances patrons’ curiosity while fostering STEAM learning opportunities.

- **Crossroads Corner:** An interactive space promoting a playful learning environment with hands-on activities, educational programming and virtual reality experiences.

- **Virginia and Norman Haussmann Storytime Alcove:** Fueled by music and storytelling by engaging and dynamic library staff, the Virginia and Norman Haussmann Storytime Alcove will host many stories, songs, rhymes, fingerplays, flannel boards, and puppet shows to help cultivate listening skills while developing a strong literacy start for young readers and their families.

- **The Barbara and Ed Hemmerling Group Study Rooms:** Two rooms are available for Placentia Library cardholders to use, with accommodation of up to eight persons and equipped with audio visual equipment will be available for use.

The library staff, Board of Trustees, and I look forward to serving you in 2019 and for generations to come. Be sure to come by and say “hi” or check out a book or two! As our State Librarian, Greg Lucas, encourages…resolve to read more in 2019!

Respectfully,

Jeanette Contreras

History Room Update
As 2018 has come to an end and 2019 begins, the History Room is gearing up for a very special year. Placentia Library is currently undergoing a major renovation and preparing to celebrate 100 years of serving Placentia residents. Our wonderful library began as a reading room with rent a mere $30 a month and offered 198 books to read. Eventually, the library moved into a beautiful building on Bradford Avenue and if you look closely at the picture, you will see a lighting fixture that is proudly displayed outside of our current History Room.

In 1973 the library prepared to move to its current location at the Civic Center. While it is always hard to pack up and leave, this time the library will not be moving from its current location. Over the years Placentia has grown from a small rural community where citrus and oil were king to a vibrant community that celebrates diversity and values its history. To preserve and celebrate our rich community, the History Room has been collecting information, referred to as the subject files, that serves as a valuable historic snapshot of Placentia.

The History Room’s subject files consist of hundreds of folders, organized by subject, that contain a wealth of information on Placentia’s history.

Information in the files consist of advertisements, obituaries, newspaper clippings, flyers, letters, notes, and documents from community groups, businesses, organizations and individuals, as well as oral histories. For the past two years we have been diligently working to digitize the subject files, making them easier for visitors to access and use. We are particularly excited as searching the digitized files will be easier than ever! History Room visitors will be able to type in any word, phrase or name and it will search all documents, bringing back any materials related to their search. We anticipate this project will be complete and available for use by the Library’s grand reopening in September 2019!

PLACENTIA LIBRARY AND PYLUSD – A CENTURY-LONG PARTNERSHIP

The Placentia-Yorba Linda Unified School District (PYLUSD) establishes a culture which encourages positive relationships among our students, staff, and parents as well as educational, business, and community partners such as the Placentia Library.

The Placentia Library happens to be one of the District’s most cherished and longstanding community partners as they were founded in 1919 – nearly a century ago! Since the beginning, PYLUSD has benefited greatly from the Placentia Library’s steadfast dedication to serving their community.

For example, in the midst of their extensive building renovation and modernization currently happening, the Placentia Library has decided to keep their doors open seven days a week. As a result, PYLUSD students and lifelong learners may continue to benefit from the Placentia Library’s resources including books and eBooks, research materials, digital magazines, music, technology, and homework help.

The ongoing remodel has also provided an opportunity for extra support in PYLUSD with Placentia Library staff members temporarily stationed at three elementary schools – Morse, Ruby Drive, and John O. Tynes. Five days a week, these volunteers provide assistance to small groups of students to help improve literacy and to promote proper research methodology. Thank you to Jeanette Contreras for initiating this arrangement in benefit of PYLUSD student success.

The District is extremely grateful for the Placentia Library’s continued support, and looks forward to celebrating their Centennial Anniversary and Grand Re-Opening next September 2019. Here’s to another century of a strong Placentia Library and PYLUSD partnership!
We are thrilled to introduce new staff members who have joined our library family!

SALLY FEDERMAN, LIBRARY ASSISTANT, ADULT LITERACY
Sally Federman completed her B.A. in Foreign Language from California State University, Fullerton and her A. S. in Library and Information Technology from Cuesta College. She has worked in libraries for almost 10 years as an on call Library Assistant. Sally has also worked as a teacher in a private school and as a tutor for children in Kindergarten through 9th grade. Sally enjoys reading, gardening and taking care of her dogs. Her favorite book is, The Sand Reckoner, because it combines her two favorite subjects – historical fiction and math. Sally is excited about working in the Literacy Department because she believes that reading can open new horizons for everyone.

VICTOR MEZA, LIBRARY ASSISTANT
Victor Meza was selected as the 2018 Employee of the Year for the Placentia Library District, an employee-nominated award. Victor received overwhelming support for his nomination for his excellent customer service and easygoing spirit. Victor has been with the District for five years and continues to be recognized by his peers for his teamwork attitude and willingness to help whenever his assistance is called upon. Most recently, Victor served on a panel at the annual California Library Association conference where he shared his experience as a Library Clerk and the beginning of his journey toward a career in library science. Victor received his Bachelor of Arts in Public Administration from Cal-State Fullerton in 2015. Congratulations Victor!

Were you born in 1919? If so, Placentia Library District wants to celebrate our 100th anniversary with you! Please bring in a baby picture and a 100th birthday picture that can be featured in our upcoming newsletter and future programs! We are also interested in collecting pictures and stories that highlight how the library has impacted your life -- a picture with your favorite book, a fun story about your childhood librarian, or an impactful literacy moment. Please provide your first and last name on the back of the photographs. Photos should be turned into Alyssa Stolze at the Administration Office. Questions? Contact Alyssa at astolze@placentialibrary.org or at (714) 528-1906, ext. 200.

All net proceeds raised go to support the Placentia Library District. Your support is greatly appreciated!
